

# From the Desk of Emma

August Edition

**Dear Burns Fans,**

My name is Emma, and I am the newest addition to the Burns family. I know you are looking for an in-depth, insider's look into the life, charity, and artwork of Ron Burns, or as I know him...Dad. So, look no further than this newsletter, put together by yours truly! I'll keep you updated with all of the newest Burns news each month.

## THE *Big* STORY

### Adding Color on the Set of a Good Cause

As the largest non-profit animal welfare organization in the state of Arizona, the Arizona Humane Society raises thousands in much needed donations from their annual telethon. Such an important fundraiser demands only the best, and that's why Ron was asked to lend his art as decoration for their multiple sets. He couldn't resist helping out especially since it is the shelter where I met him, and decided to adopt his heart!

The telethon was held on August 2nd, and the thousands of Arizonians that tuned in to ABC channel 15, not only saw Ron's artworks, such as Grover, Scissy, and Bernie, brighten up the stages, but also got to witness Ron livening up the conversation, with his trusty and beloved pooch (that me!) by his side. Ron was a special guest on the telethon, talking about his dedication to giving back to animals, and why they inspire him to paint.

Of course, talk is cheap, and Ron's overwhelming generosity is undeniable as he donated six limited editions of "Sunset Trio" to the most generous donators, and also gave away \$100 gift certificates, good towards the purchase of his artwork. Boy, my dad really is a great guy!

## BITS ABOUT BURNS

*Discover new things about "America's Favorite Animal Artist"*

When Extreme Makeover - Home Edition, hosted by Ty Pennington, needs to do their trademark unbelievable decorating for a deserving family that loves dogs, they turn to "America's Favorite Animal Artist." The first time Ron was on the program he painted a mural in the family's home. And, just recently, the show used his artwork again, in a room specifically designed for canine enjoyment!

## WET PAINT!

*See what's on Ron's canvas TODAY!*

This most recent painting comes from Ron's studio barely started, but already adorable. This happy pup is smiling from ear to ear. And yes, as an Australian Shepherd mix, this beauty has two different colored eyes - one blue, one brown, and all wonderful!

## FEATURED RELEASE

*Each month we will feature a new original or limited edition that is unique, and explain why it's important!*

Winkin is unique because it is one of a very few limited editions featuring cats. Beyond being rare in subject matter, it's also different because it doesn't use much negative space.

### **P.S. Emma Fun Fact -**

My sign off image this month is me making my television debut at the telethon. Just think how much adoption can turn a pooch's life around. Less than a year ago I was in a kennel at the Humane Society, and now I am helping my famous dad raise money for that same shelter! Even though I'm famous now, don't worry, I'll always remember the little people.
