

From the Desk of Emma

June Edition

Dear Burns Fans,

My name is Emma, and I am the newest addition to the Burns family. I know you are looking for an in-depth, insider's look into the life, charity, and artwork of Ron Burns, or as I know him...Dad. So, look no further than this newsletter, put together by yours truly! I'll keep you updated with all of the newest Burns news each month.

THE *Big* STORY

Commissions and Originals and Planning...

Oh My!

Ron has been busy working on a very special, and also elaborately time consuming commission featuring a collector's whole crew of three cats and two dogs playing poker. Notice all the small, personal details in the painting, from the spots on the tongue of the middle dog, to a favorite hoodie worn by the other dog on the right.

This commission had Ron on a very strict deadline, but now that it is completed, he has time to lock himself in the studio, once again, and produce all new originals! As always, keep an eye out for these newly finished originals in this here newsletter, or by contacting your Burns gallery.

And finally, with the Phoenix heat of late Spring and ALL of summer, my crew and I turn our attention toward planning for the fall and winter. We have a lot of really exciting events planned, and who knows, maybe my Dad will come and help out the animals in your community this year. After all, he loves traveling around the country, using his art and great heart to give back to animals big and small!

BITS ABOUT BURNS

Discover new things about "America's Favorite Animal Artist"

Ron began painting animals over 15 years ago. He was initially inspired by his own dogs (like me!) and then eventually started going to Humane Societies and animal shelters across the country to meet inspirational animals. After selling a portrait, he would donate a percentage from the sale back to the shelter that housed his adorable subject matter.

WET PAINT!

See what's on Ron's canvas TODAY!

Ron is working on this absolutely adorable pup, with a background to die for! Did you notice the dog bones and Kong toys in the pattern? Ron's creativity is really unparalleled and obviously unstoppable!

FEATURED RELEASE

Each month we will feature a new original or limited edition that is unique, and explain why it's important!

This little sweetheart stole Ron's heart and he couldn't help but paint her on the type of throne she deserves. And of course, with her irresistible furry face, she was QUICKLY adopted by a loving family!

P.S. Emma Fun Fact -

My Main Job...I like lots of attention – but who doesn't? To get it though, I have to sit right next to my Mom or Dad and paw at them until they know I am there. And, if at least the tip of their finger isn't touching me, I have to paw at them again to remind them. Whew – what a job!
