

From the Desk of Emma

May Edition

Dear Burns Fans,

My name is Emma, and I am the newest addition to the Burns family. I know you are looking for an in-depth, insider's look into the life, charity, and artwork of Ron Burns, or as I know him...Dad. So, look no further than this newsletter, put together by yours truly! I'll keep you updated with all of the newest Burns news each month.

THE *Big* STORY

Bloggers Love Burns!

Last month a great blog called DesignTies written by two interior designers (one from Canada and one from the states) did a story on Ron, his artwork, and his causes. It was really great and if you want to read it, visit <http://design-ties.blogspot.com/> and look for the entry on April 16th.

The story, including an interview with Ron, was done as part of a weekly "Blog Party" called "Hooked On Fridays" that DesignTies participates in. The idea behind this "Blog Party" is a group of bloggers share something they're "hooked on" with everyone else participating in the party each Friday.

From being featured during the party, people from all over the world (as far away as the Netherlands) discovered what we all already know, Ron's artwork is GREAT! It's amazing to think about how connected our world and all the people in it has become!

This whole idea of a blog party has sort of got us interested in hosting one ourselves. I wonder what we would call it... Bark Up a Tree Tuesdays? Hey That's MY Fire Hydrant Fridays? Mutterly Mondays? I'm obviously struggling with this, so if you have any brilliant ideas, PLEASE let me know!

BITS ABOUT BURNS

Discover new things about "America's Favorite Animal Artist"

Ron has been the *Artist-in-Residence* for The Humane Society of the United States for over 10 years. This position has allowed him the incredible opportunity to help adorable pooches, such as myself, who are orphaned to find loving homes. All of us canines are lucky to have someone like Ron in our corner!

WET PAINT!

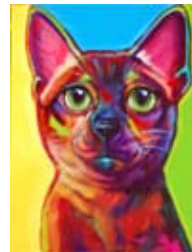

See what's on Ron's canvas TODAY!

Many people think, incorrectly I may add, that Ron is more of a dog person than a cat person. Now, I'm a dog, and I will say that he definitely loves me, but I also know he loves cats as well. It's just sometimes their fur is tough to paint. But, I think he's off to a great start with this little feline!

FEATURED RELEASE

Each month we will feature a new original or limited edition that is unique, and explain why it's important!

Dusty
Original on Canvas
Size: 20 x 16
Retail Price: \$4,400

Since I was already talking cats, I figured that I would show you all the only original cat piece currently for sale. "Dusty" is a great piece, and as the only available cat original, I'm sure he'll go fast!

Sincerely,

Emma

P.S. Emma Fun Fact -

It's the year anniversary of this fine newsletter, but it's funny I feel a little bit older than just one year. I don't let it get me down though, who cares about silly dog years?!
