

# From the Desk of Emma

June Edition

**Dear Burns Fans,**

My name is Emma, and I am the newest addition to the Burns family. I know you are looking for an in-depth, insider's look into the life, charity, and artwork of Ron Burns, or as I know him...Dad. So, look no further than this newsletter, put together by yours truly! I'll keep you updated with all of the newest Burns news each month.

## THE *Big* STORY

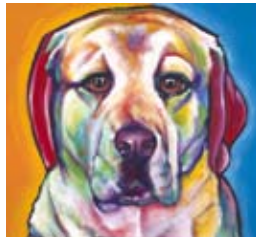

### Bloggers Love Burns!

Ok, you caught me, that's the same title I used last month, but for good reason! Bloggers still loved Burns this past month and they also loved Dogs of Valor!

Let me back up... The Humane Society of the United States (where Ron is the Artist-in-Residence) held their Second Annual Dogs of Valor Awards last month and asked Ron to be a judge. He had a tough decision, because he had to vote on the dogs he thought were the most courageous.

Now, I'm a pretty amazing dog, but I've got NOTHING on these canines. Their stories ranged from a dog whose human companion was in a car accident on a remote road, and the dog went looking for help, caught someone's attention, and ended up saving the man to a dog who protected his family from a home invader and in the process got shot THREE times, but still survived!

Bloggers were a-buzz about the Awards, because adding to the excitement there was one winning "People's Hero." The dog who got the most votes from the general public ended up getting a limited edition print of Ron's painting of a very brave dog, "Sirius."

### BITS ABOUT BURNS

In other news, Ron is really getting into the whole Facebook extravaganza. He posts pictures, writes on peoples' walls, and updates his status all the time. But, I think his most fun addition to Facebook was just added last week. He created a quiz called, What Ron Burns Dog are You? People are discovering things about themselves they never knew! ### WET PAINT!

*See what's on Ron's canvas TODAY!*

There was such a positive reaction to last month's "For Your Eyes Only" of a lazy greyhound, called "Retired Racer" that Ron decided to paint another sweet greyhound. Although the piece isn't even completed yet, a Burns collector has already put down a deposit to reserve it!

### FEATURED RELEASE

*Each month we will feature a new original or limited edition that is unique, and explain why it's important!*

This sweet little kitten has a very unusual name, but an absolutely darling little face. From the "Wet Paint!" section last month, here is the completed painting of "Twig."

**P.S. Emma Fun Fact -**

I love going for car rides, and I mean I LOVE it, I can't get enough of it! Plus, I hope that if I ride around in enough cars with my dad he'll eventually paint me in one! You all should let him know how great that would be!
